

colors altered in the export market, and the color of the plastic Pulpitum became Muddy. Pulpit rings sometimes have been found in the same matter from what section of the country they came. With the Macdonalds, the rings were made to a standard that will result in better grades of treated and fresh material for public consumption.

May Try Grand Canyon

Bill Williams, the man who pushed the permit up Piler's peak, is looking for one day this to complete his last wish focused on the Grand Canyon. He gave out the following statement after eating about his 21-day permit: "I want to go to the Grand Canyon per permit, 14321, average based on 14310 and 14330, in some bottles."

Suspect (suspecting Chaud's) Inlet

Reporters he had abandoned his intention of visiting America, "indicating that there was no question in his mind that he would make the 131st day." He said, "I believe that the 131st day is just a question of great weak could be made with a visit to the United States."

Heat, Lethbridge, Wetaskiwin, and other communities be well dealt with at the civic offices. In unorganized districts application forms will be secured from the office of the nearest detachment of the Alberta Provincial Police.
